“Excellent cruise line”

From the adults-only option all the way to food and entertainment, they did an awesome job. There was so much to do on the ship we needed more time. We will definitely go back to Virgin for our next cruise and many, many more.

“Incredible!”

Amazing experience and the best cruise I have ever been on. Exceptional food, helpful/kind staff, shows were out of this world, and we were able to cross off a few destinations from our bucket-list, like Barcelona and Rome. Definitely will only be booking with Virgin from now on!

“Great atmosphere and great crew.”

The Scarlet Lady is so welcoming and inclusive, and the crew were fabulous. They make you feel so comfortable no matter who you are. We especially loved our incredible time staying overnight in Ibiza. It’s a memory my wife and I will never forget!

“Best cruise and ship ever!”

Everyone and everything was on point, especially the food. It was phenomenal. No buffet is served, and nothing is too small or large for them to deliver. Virgin Voyages is truly one-of-a-kind.
